Please Note Section 7.02. The following are the only grounds on which a student may request to be excused from an examination:

- The student has two examinations scheduled to begin on the same day; or
- An emergency has arisen; or
- It has become impossible or impractical for the student to take the examination at the scheduled time; or
- The student has three exams in a row in the first week;
- The student has four exams in a row in the second week.

The student must request the excused absence from the Associate Dean prior to the exam. The Associate Dean must discuss the request with the instructor involved. It is within the Dean's discretion to grant or deny the request.
